Truck Repairs for the month: None to report.

Still assembling our Command/Rehab trailer with hopes of activating it by June.

We had 25 people attend the "Stop the bleed" class held on May 2nd. As a result, we have had several people express different levels of interest on joining the first responders so hopefully some positive news in the near future.

LILLEY TOWNSHIP FIRE & FIRST RESPONDERS

Mike Lash has passed his MFR classes and is a certified medical first responder, congratulations Mike...

As we move through the spring season, please be vigilant when outside burning. Please go to Michigan.gov and look up burn permits to be able to determine if open burning is allowed.

Please spread the word that we are looking for motivated people to join our team. We also now have positions available for truck drivers. If you want to help your community but not sure you want to take the fire or MFR class, this might be just what you're looking for. If you have any questions please feel free to contact me at lilley1702@hotmail.com or 231-349-1858.

Again thank you for your continued support.

LTFD Fire Chief:
Scott DeBruyne.
